VIRGINIA CITY, NEVADA as it stands today showing the Main Street Downtown.

Dear Jim & Dickie

I have just returned from a trip to Reno, Lake Tahoe and Virginia City. We really drove a long way and packed a lot into each day. Lake Tahoe is simply gorgeous.

Tomorrow I'm going to the beach for the week-end then I must get back to work in my garden & house. I hope the weather improves. It is wet & cool.

Be seeing you soon,

Love,  
Franz
